Jesus, I love you, King of all grace  
I want the whole world to know your name  
Friend to the sinner, mighty to save  
Gave your body and blood as a ransom for many

How can they hear if we're silent?  
How can they trust in a God they don't know?  
How can they love you, unless they can see  
Your love in the way we love?

Jesus, you're coming, there is a day  
When we will answer for all we've done  
Full of compassion, in mercy you wait  
Let today be the day of salvation for many

How can they trust in a God they don't know?  
How can they love you, unless they can see  
Your love in the way we love?

Lord, when you speak, it's like rain from heaven  
Breathing new life into dusty ground  
I will go out as your Spirit leads me  
Open my mouth and I'll speak your praise
